Dania,
It appears that the DEQ does not have any further comments on the OU8 RI Report. However, Jon Morgan will send you an email by COB on Tuesday, June 11, just to be sure.

Thanks,
Carolyn Rutland

Hi Carolyn,

Attached find the revised RI report for OU8. We will be discussing the risk assessment section during today's meeting. There aren't too many changes since the last draft RI report we released so it would be great if we could get a quick turn on this. Could you provide comments by COB Tuesday, June 11?

Thank you,

Dania and Rebecca:

This one is straightforward.....still, since we have the time, thought you might like to review the changes.
